<http://global.tmu.edu.tw/main.php>

Main Focuses of this Symposium

1. Comparisons of national pandemic control policies and results.
2. The path towards the post-pandemic world.

Keynote Speaker

The keynote speaker for this international symposium is **Dr. Chen Chien-Jen 陳建仁**, Distinguished Research Fellow of Academia Sinica, the former Vice President of Taiwan, and a renowned epidemiologist who completed his doctoral degree in epidemiology from Johns Hopkins School of Public Health. He was instrumental in Taiwan's 2003 SARS control policy (as the Minister of Health at the time), and the early part of Taiwan's successful COVID-19 pandemic control policy in 2020.

Our speakers and panelists are from the following nations.

- Australia
- Canada
- Chile
- Ecuador
- Egypt
- Ethiopia
- The Gambia
- Japan
- Jordan
- Kenya
- Malawi
- Norway
- South Korea
- Spain

- St. Vincent and the Grenadines
- Taiwan
- Thailand
- U.S.A.

Symposium Website and Registration

Participation in this symposium is free, but registration is required. Please use the link below to register, and please register all sessions you plan to attend. There are 4 sessions across 3 days (for some time zones, 4 days). You will receive a symposium link for each session you registered for.
