Subject: International Week March 2026 - Y SCHOOLS

To:

Cc: LORANDEAU Sophie <sophie.lorandea@yschools.fr>

Dear colleagues,

We hope this e-mail finds you well. Y SCHOOLS Troyes is organizing its **INTERNATIONAL WEEK**, from **Tuesday 24th to Friday 27th March 2026**, for all Professors from our partner institutions. This opportunity will be a good way to meet again and strengthen the relationships between our institutions along with Professors and Researchers.

- **European partners:**

You can come under Erasmus Teaching Staff Mobility which should cover the cost of travel, accommodation and meals, please check availability of funding with the Erasmus coordinator at home institution (you will be invited for lunches and activities planned during the week by the International Mobility Department)

- **Non-European partners:**

All fees regarding travel, accommodation, breakfasts and dinners remain yours (you will be invited for lunches and activities planned during the week).

We expect the professors participating to prepare a total of 4 classes of about 2 hours each (8h in total per teacher).

These courses will take place from **25 to 27 March 2026**, with the welcome day on Tuesday 24 March.

- **Teaching languages** will be either English, German or Spanish, for groups of 20 to 30 students Bachelor level (1st year bachelor students as well as 1st year master's students).
- As the students attending may vary from one class/conference to another,

the **only condition for the sessions** is that they must not be a continuous subject but independent from one another. In other words, you could either repeat the same course several times (one 2-hour course repeated 4 times) or teach several courses on different topics (4 courses of 2 hours each).

- Regarding the content, all communications in the following areas are welcome: Business, Marketing, H.R, Economics, Entrepreneurship, Innovation, Geopolitics, Intercultural Management and Tourism Management, Hospitality and Design. Y SCHOOLS being a multidisciplinary school, we are also open to possible suggestions coming from your Professors.

In order to formalize your application, **PLEASE FILL IN THIS FORM** with your proposal and submit it to us prior to **9 January 2026**. You will receive confirmation of acceptance by **23 January 2026** at the latest.

Please do not hesitate to contact us if you have any questions. We look forward to hearing from you.

Wishing you a lovely week end.

Best regards,

Sophie
